

# got advertising?

Meter-Treater has designed a full line of marketing materials that Utilities can use to promote their Surge Programs.

Some of our current offerings include:

- Flyers
- Banners
- Bill Stuffers
- Door Hangers
- Tri-Fold Brochures
- Web Site Graphics
- Countertop Displays

These items can be used as is or you can contact us to find out how to receive customized artwork that can include your company information and logo.

Check out Meter-Treater's Utility Page at [www.metertreater.com](http://www.metertreater.com) for more Utility Marketing Resources.

For more information please email April Skony [askony@metertreater.com](mailto:askony@metertreater.com) or call (800) 638-3788.

Electrical appliances are a very important part of our day-to-day life, yet we hardly think about them... until there's trouble.

Trouble can arise through power surges which can be caused by car accidents involving utility poles, lines falling on power lines, fluctuations within the home and many other events.

The resulting electrical surges enter your home through the wiring and can damage the appliances that YOU depend on.

**Protect Your Large Appliances**  
 Dryers  
 Washers  
 Ceiling Fans  
 Dishwashers  
 A/C Systems  
 Ovens/Ranges  
 and more .....

Your Electric Utility offers an affordable and effective solution that will help prevent damage caused by surges.

Please contact your Electric Utility for more information on available Surge Protection Devices.

**Protect Your Home**
