This is our original web site which has been completely redesigned. Specification Sheets, Installation Manuals, Product Warranties and Informational Videos can be found at the new Meter-Treater web site along with Marketing Materials that our customers, representatives and distributors can use to promote their Surge Programs.

Surge Guardian is our Retail eCommerce Store. You will find a majority of our current Surge Protection Devices available here including devices for AC Power, Communication Lines and Point-of-Use Plug-ins. We are also offering UPS Back-up Systems and a line of Go Green Energy Conservation products in our Surge Guardian online store.

Surge Surplus is our most recent creation. This new online store offers Surge Protection Devices at discounted clearance prices. In addition to Surge Protection Devices, electrical parts and accessories will also be available on the Surge Surplus web site. This web site will be updated frequently with new products, so be sure to check back often.
